Last Revised December 19, 2023.

Acceptance of Terms of Use

Eagle Software Corporation (Eagle) maintains this web site (the “Site”) for your personal use and information. Your access to and use of the Site in any way, including using, downloading or transmitting any of the services or functionality (“Services”) or Materials made available or enabled via the Site (“Materials”) are subject to the following Terms of Use and all applicable laws and regulations. You understand and agree that Eagle reserves the right to modify these Terms of Use by updating this page, from time to time in its sole discretion, without notice or liability to you. You are bound by any such revisions and should therefore periodically visit this page to review the most current version of these Terms of Use. By accessing and/or using the Site, Services and/or Materials, you accept and agree to be bound, without limitation or qualification, by these Terms of Use and any modifications hereto. Eagle may, in its sole discretion, immediately terminate your right to use the Site if it finds that you have failed to comply with any provision of these Terms of Use or if it believes, in its sole discretion, that you have in any way abused your right to use the Site, Services and/or Materials. Eagle shall not be liable to you or to any third party for any claim or cause of action arising out of such termination.

Use of Site, Services and Materials

Eagle grants you a limited license to access and make personal, non-commercial use of this Site, Services and Materials. You may not download (other than page caching) or modify the Site, or any portion of it, except with express written consent of Eagle. This license does not include: any resale or commercial use of this Site, Services or Materials; any collection and use of any product listings, descriptions, or prices; any derivative use of this Site, Services and Materials; any downloading or copying of account information for the benefit of another user; or any use of data mining, robots, or similar data gathering and extraction tools. The Site, Services and Materials or any portion of the Site, Services and Materials may not be reproduced, duplicated, copied, sold, resold, visited, or otherwise exploited for any commercial purpose. You may not frame or utilize framing techniques to enclose any trademark, logo, or other proprietary information (including images, text, page layout, or form) of Eagle without express written consent. You may not use any Meta tags or other “hidden text” utilizing Eagle’s name or trademarks without the express written consent of Eagle. Any unauthorized use terminates the permission or license granted by Eagle. You are granted a limited, revocable, and nonexclusive right to create a hyperlink to the home page of WORKERSCOMPUTATION.COM™, so long as the link does not portray Eagle, its affiliates, or their products or services in a false, misleading, derogatory, or otherwise offensive

matter. You may not use any WORKERSCOMPUTATION™ or Eagle logo or other proprietary graphic or trademark as part of the link without express written permission.

Refunds & Substitutions

Eagle will refund the cost of any unused claimant credits within three (3) days of your purchase. Eagle does not issue refunds for used claimant credits. After three (3) days, all purchases are final. Eagle does not allow substitutions. You should carefully examine your order before confirming your purchase.

Your Account

You are responsible for maintaining the confidentiality of your account, username and password. You are also responsible for all activity that occurs under your account and/or login. Eagle cannot and will not be liable for any loss or damage from your failure to comply with this obligation. Eagle reserves the right to refuse service, terminate accounts, remove or edit content, or cancel orders in their sole discretion. Eagle reserves the right to delete delinquent and inactive accounts at any time. Eagle shall not be liable to you or any third party for any claim or cause of action arising out of Eagle's exercise of the foregoing rights.

Your Login

You and only you may use your login. You may not provide others with access to the Software through your login. Separate logins may be purchased for as many people as you would like. Product support and technical support are only available to users with a valid login and may only be available via the Message Center. Identity verification may be required to receive product support. Your login is not assignable, transferable, or sub-licensable by you and any such conveyance will be null and void. Eagle may require that you change your login information or certain parts of your login information at any time for any reason.

Simultaneous Use

Simultaneous use of a username is not permitted. The site continuously monitors username activity to detect instances of simultaneous use. If simultaneous use is detected, both users will be automatically logged off. As a security measure, the licensed user will be required to complete the change password process. After three episodes of simultaneous use, the username will be permanently locked and can only be reinstated by paying an unlock fee. Eagle shall not be liable to you or any third party for any claim or cause of action arising out of Eagle's exercise of the foregoing rights.

User Obligations

In exchange for your use of the Site, Services and Materials, you agree: (1) That your Account and Login information will always be complete, accurate and up-to-date; (2) If you become aware of any unauthorized use of your Account or Login information, or any other breach of security, you will notify Eagle immediately; (3) Not to use the Site for any illegal purpose; (4) Not to interfere with or disrupt networks connected to the Site; (5) To comply with all regulations, policies and procedures of such networks; and (6) To abide by all applicable local, state and federal laws and regulations. Any fraudulent, abusive, or otherwise illegal activity may result in termination of your Account and legal prosecution.

Electronic Communications

When you register with the Site, send emails to us, or send a message using the Message Center, you are communicating with us electronically. You consent to receive communications from us electronically. We may communicate with you through the Message Center, by email, or by posting notices on the Site. You agree that all agreements, notices, disclosures and other communications that we provide to you electronically satisfy any legal requirement that such communications be in writing. By communicating with Eagle, you grant Eagle permission to use any information, suggestions, ideas, drawings or concepts communicated for any purpose Eagle chooses, commercial, public or otherwise, without compensation whatsoever.

Termination

If you want to terminate your Account, you may do so by notifying Eagle by email or U.S. Mail, at any time and requesting that your Account be closed. Termination of your Account may result in: (1) Removal of access to the Services and Materials; (2) Deletion of your Account and Login information and all related information, files and materials associated with or inside your Account (or any part thereof).
